Together, we FACE poverty in 4 ways.

At Children's Hunger Fund, we distribute Food Paks, boxes that hold up to 20 pounds of nourishing food, into homes through local churches. The food provides physical help. A relationship with a local church pastor or volunteer, and ultimately the sharing of the gospel, provides hope. Your support feeds families in poverty and changes their lives forever.

Poverty presents many challenges, and we seek to provide aid to families who are suffering in a variety of ways. This includes medical aid, sustainability grants for long-term solutions, School Paks, toys, clothes, and even vital products such as water filtration. In the face of natural or man-made disasters, we deliver immediate assistance for recovery and long-term rebuilding.

 EQUIP

We value relationships, and what we can do together when we are united in the face of poverty. When friends introduce us to like-minded donors, churches, and corporations, we increase our impact in the world and in the lives of suffering families.

When a pastor knocks on the door of a family in crisis, they carry a Food Pak, but also the opportunity for a relationship. We provide biblical training for pastors and volunteers, equipping them to meet both the spiritual and physical needs of the suffering in their communities through Relational Mercy Ministry.

OUR IMPACT

We're feeding more children every year.
