Tuesday we will reveal the competitions’ winners and hand out prizes. As you leave on Wednesday, you will be rejuvenated and encouraged to impact the lives of suffering children around the world.

Children's Hunger Fund

Children's Hunger Fund (CHF) delivers hope to suffering children by equipping local churches for gospel-centered mercy ministry. We distribute aid through four distribution centers in the US—Chicago, Dallas, San Antonio, and our headquarters in Los Angeles—and through over a thousand local churches in 25 countries around the world. Because of friends like you, CHF has been able to practice gospel-centered mercy ministry for more than twenty-five years. Since 1991, 97% of all donations have directly supported programs that serve suffering children and families.

Dave Phillips

The devastating poverty Dave witnessed at a children's hospital in Honduras changed him forever. With a united passion to impact the next generation and help local churches build relationships with poor children in their communities, Dave and his wife, Lynn, founded Children's Hunger Fund.

With a heart to serve hungry children here in America and around the world, Dave reached out to his corporate contacts for help. This developed into the unique gospel-centered home-delivery model of service CHF employs today.

Today, Dave and Lynn live in Simi Valley, California with their four sons.

*We look forward to having you.
